Dear Nina:

Enclosed is the addendum to Certificate of Appropriateness #0104, as amended, for the pergola and gate arch you have proposed at 487 Main Street.

As you know, both proposals were approved unanimously by the Historic District Commission at our meeting on June 19. In the decisions, the Commission found that the work would be compatible with the building and the surrounding historic district. In addition, it was found that the pergola will be all wood and finished with a solid body stain.

A copy has been filed with the Building Department, and you may now go ahead and apply for any required Building Permit.

Sincerely,

Anne Forbes, Vice-Chair

Building Commissioner
